### Mrs. Lloyd.....Mrs. Throckmorton

Over the weekend, Mrs. Lloyd was hospitalized due to complications with her pregnancy. At this time, the baby is fine. While we are not sure what will transpire with Mrs. Lloyd, we anticipate that she will be unable to teach for the next several weeks. We will keep you updated, and ask that you keep her, Mr. Tim Lloyd and their baby in your prayers.

In the meantime, we have asked Mrs. Diane Throckmorton to teach the K3 class. She is a familiar face to your children, as she is one of our After Care staff and has been here for special occasions throughout the year. She

has also substituted the K3 and K4 class on occasion. We are thankful for Mrs. Throckmorton's willingness to teach the children and shower them with much love and affection.

For those of you who come between 0600-0800, you may see a few more familiar faces....Mr. Paul and Mrs. Sharon Trout. Mr. Trout is Chairman of our school board and both he and Mrs. Trout have assisted with all our special days and celebrations. The children are always glad to hear Mr. Trout praising their accomplishments.

Psalm 31:1a, 3a

**In thee, O LORD, do I put my trust... For thou art my rock and my fortress.**
