

Sept 11. 2009

Dear GNCA Parents,

It was been a wonderful week teaching, playing with, and caring for your children. Thank you again for giving us this opportunity to minister to your family.

In chapel this week, we have been learning about creation on days one and two. The children are learning songs about the greatness of God and the love of Jesus toward us. It is a joy to see them participating in the Bible lessons and music. We have also been learning the Pledge of Allegiance, colors red and yellow, character trait of kindness, and responding to all adults with "Yes, ma'am / yes sir". Please help us by reinforcing and encouraging this proper response at home. This week in phonics, we have been learning about the letter 'I' as in Indian.

We are in the process of obtaining email addresses for each family. If you have not already done so, please give us your email address as you are signing in / out your child.

In the near future, a GNCA family directory will be available to you. If you prefer not to have your family information (address, phone number, email) listed in our GNCA directory, please let me know.

I have spoken with Mrs. Fink of Fink's Catering regarding the opportunity to order lunches for your children. Menus were available for pickup on the night of parent orientation, but if you would like another one, please let me know. I can email one to you. If you chose to order lunch, please indicate your choices and return the menu to Mrs. Johnson by Friday. You will be billed weekly through Reliafund, who handles our electronic fund transfers.

As a reminder when picking up your children after 2 PM, please ring the white bell on the brick wall at the second set of glass doors. This door bell will ring into the activity room and Mrs. Johnson or Mrs. Throckmorton will let you in. I do apologize that a reminder was not posted on the main academy doors at the beginning of the week.

We look forward to next week and all the joy and surprises that will come as well.

In Christ,

Mary Lynn Corbett, Director
